100 mm test square

must measure 100 mm;
print at 100% / actual size

1 inch

1. Print every page at 100% / actual size (turn off 'fit to page'). Check the squares.
2. Lay pages out as in the map below.
3. Trim the top and left margins of each page to the dashed overlap line, match the circled marks and tape.
4. Cut on the solid line. The dashed line is the stitch line; seam allowance is included.
5. Notches: snip into the allowance only.
